

Joseph Winslow started the day with a two stroke lead and opened with a one over par front nine. "I gave myself a little pep talk on the turn and was able to turn around the day" said the Kansas native. Birdies on 11 and 12 got him back in the lead and a lone bogey on the 18th still gave the young man a great championship. South Carolina's Cody Proveaux got off to a hot start as he was 4 under through his first six holes. As the leaders came back to the field, Proveaux put himself right in the middle of the tournament. Bogeys on 9 and 10 slowed the charge and he finished with a birdie on the last to finish in solo second, one shot back of Winslow.
